Welcome to the Stardust Skating Center Southern California Area League Full Day Contest scheduled for January 26, 2014. Our top priority is to make your Participation in our Contest an enjoyable experience!

Our location is 2167 N. Lugo Avenue in San Bernardino. Please note that if coming from Orange County, the newly completed freeway improvements result in staying in the right lane of the 215 Freeway onto the 210 Freeway and taking the first exit which is Highland Avenue, turning right, then 7 lights to right on N. Lugo Avenue.

The floor is a maple wood rotunda construction with a size of 77' wide by 180' long. We have no scheduled practice for the Saturday previous. Because of the new skating season calendar starting January 1st, we are required to validate all amateur cards. There will be no Beginner Events or Tiny Tots at this contest.

We will be serving breakfast and lunch items with a variety of nutritious selections!

We look forward to seeing you January 26th! Good Luck to all and Happy New Year!
